

# This unproductive activity can actually help you get more done

[This 'unproductive' activity can actually help you get more done](#)

[Fast Company](#) • August 21, 2019, 1:00 pm

The activity that you use to procrastinate might just be the productivity hack that you've been missing all along. If you're reading this article, chances are you're on a mission to be as productive...

[These tiny magnetic springs melt microplastics into nothing](#)

[Fast Company](#) • August 21, 2019, 1:30 pm

A new technological solution to our plastics problem comes in an odd shape. Microplastics—tiny fragments of plastic smaller than 5 millimeters across—are so ubiquitous that plastic is now found in...

[New York City's school buses will now be automatically routed and tracked using Via's algorithm](#)

[Fast Company](#) • August 21, 2019, 2:00 pm

Ride-hailing disruption meets the classic yellow school bus in the country's largest school district, where complaints have dogged the city's attempts to get kids to school. The yellow school bus is...

[The Air Force is testing a new kind of headset that protects the user by transmitting sounds through their bones](#)

[Feedburner](#) • August 21, 2019, 6:21 pm

Air Force photo by Airman 1st Class Joseph Barron US airmen at RAF Mildenhall are testing a new in-ear headset that uses the wearer's ear bones to transmit sounds. The new device is meant to protect...

[What life is like on the Syria-Turkey border, one of the world's most tense and dangerous fault lines](#)

[Feedburner](#) • August 21, 2019, 6:24 pm

AP After threatening military incursions into northeast Syria to keep Kurdish forces at bay, Turkey has negotiated a "safe zone" in northern Syria. Turkey is deporting Syrian refugees back to Syria...
