

How much can I make in a Career in [Security Management](#)?

LifePage – defines [what is Career Counselling?](#)

[Security Management](#)

I think Security Management is a great Career option. Unfortunately, it is very difficult to find information about What Security Management actually is. Most pages on the internet just talk about How to get into Security Management. In my quest to learn more about a [Career in Security Management](#), I found this amazing page: <https://www.lifepage.in/careers/security-management>

[Ramit Datta](#)'s overview!

Ramit Datta is an experienced professional with 4 years & 11 months in Security Management. Ramit Datta has worked in Security Management as Chief Security Officer in Ramada, Dehradun. In Ramit Datta's own words, this is how Ramit Datta got into Security Management: ***"I did BA from Hindu College. I have represented India in diving and have won 62 gold medals. I have served in CRPF for 9 years. I shifted to Hospitality industry recently when I joined Lemon tree Hotel as Security Manager. I am Chief Security Officer at Ramada, Dehradun."*** [Ramit Datta](#) has a profile in Resume 2.0 format on: <https://www.lifepage.in/page/ramitdatta>

Career Video on [Security Management](#)

In a video, Ramit Datta has talked about various aspects of a Career in Security Management. Ramit Datta started by explaining Security Management as: "**Security management is a broad field that encompasses everything from the supervision of security guards at malls and museums to the installation of high-tech security management systems designed to protect an organization's data.**" I watched the full video and I absolutely loved it.

In this video Education was discussed as theoretical topics needed to excel at Security Management, and not as Qualifications needed to enter Security Management. Ramit Datta touches upon these in the Education section of the Video:

- Fire & Safety Guidelines
- First Aid Training
- Liasoning
- Company Project

90% success in real life depends on Skills. It is crucial to understand these.

Ramit Datta then explains why these Skills are essential for a Career in Security Management:

- Sharp Mind
- Strong Reflexes
- Presence Of Mind
- Eye Of An Eagle
- Team Management

It is important to get an understanding of the Positives of this Career.

Ramit Datta believes that the following are some of the Positives of a Career in Security Management:

- Growth Potential
- Self Satisfaction
- Homely Environment
- Continuous Learning

Challenges are the other side of Positives and this Career is no exception.

And, Ramit Datta believes that one needs to prepare for following Challenges of a Career in Security Management:

- Guest & Staff Safety
- Handling Situations

In the final section of the video Ramit Datta talks about How a day goes in a Career in Security Management. This video is by far the best video on a Career in Security Management, that I have ever come across.
