

Is Wagyu the best steak?

Wagyu beef is the best steak because it has superior eating quality compared to other breeds of cattle. Besides having higher levels of intra-muscular fat, or marbling, wagyu beef also has a finer meat texture, resulting in a more flavourful eating experience. If you are a [wagyu beef](#) lover and you are searching over the internet best wagyu steak in Singapore? You have come to the right place. Delicart is the best wagyu steak seller in Singapore.
