Located in Udyog vihar phase 2 which is very high demanded area having companies like Maruti Suzuki, Accenture, RBS, Candor Techspace, IBS, Infotech Global India Ltd, STPI, Hartron Technology Complex, Clairvolex IP Solutions Pvt. Ltd etc. , Market and food joints are easily accessible from the property.

we must always go for without brokerage or zero brokerage hostels because a broker only complicates it. While you look for a PG on the internet, do not book any in a go, schedule a visit to the one you plan to live in and then decide, because pictures can be deceiving. Also,

always consider talking to the people who have already lived there in order to obtain some information and second-hand experience, because it helps.
