

Hilltop Camping in Vagamon

Vibes of Vagamon is one of Vagamon's greatest Hilltop Camping. Vagamon is a must-see highland station in Kerala, located 104 kilometres from Kochi. Using the Tent Stay in Vagamon along the western Ghats' limits, we may appreciate the magical beauty of nature. The weather is beautiful, with temperatures ranging from 10 to 23 degrees. The country of meadows looks exquisite as the clouds kiss it. Travelers may rest and revitalise in the pleasant surroundings of Vibes of Vagamon's Best Tent Camping In Vagamon. This property is bordered by lush plantations and mountains, making it ideal for hiking and camping in Vagamon.

Tent camping at Idukki's Vagamon hill station is one of the few places on the earth that must be experienced firsthand to really appreciate its beauty. The place's verdant slopes, velvet lawns, and overall mysticism are unlike anything else on the planet.

Vagamon is one of Kerala's most beautiful hill settlements, unblemished by the outside world and absolutely flawless! This inviting rough refuge is roosted at an extraordinary height of 1,100m above the level of the ocean on the boundaries of Kottayam-Idukki
