**Description:**

Tree Service Jefferson County is your local tree service, tree removal, tree trimming, and stump removal company serving the greater Jefferson County, Saint Louis County and Saint Louis City area. We take great pride in the professional tree work we do and always choose quality and safety over trying to get the job done quickly. Over the years, we've trimmed, pruned, and removed hundreds of trees, of all shapes, sizes and species. Every tree we work on presents a new challenge that we work through professionalism and expertise. Whether it's spring, summer, fall or winter, the experts at Tree Service Jefferson County are available to care for your tree service needs in an affordable manner all year-round.
