

# The Complete Guide to Legal Outsourcing for Small Firms

If you're a small law firm, the thought of outsourcing any part of your work can be daunting. After all, you only have so many billable hours in a day, and every minute counts when you're trying to keep your business afloat. Outsourcing legal work can be a great way to free up some time so you can focus on revenue-generating tasks, but it's important to do your research before taking the plunge. This guide will walk you through everything you need to know about outsourcing legal work so that you can make the best decision for your firm.
