

[Chapter 94](#)

Page 1

Shun - Shura's Excalibur..... It is evolving into a new technique ?! I've never felt a cosmic combustion like this ... it's disintegrating everything. This is not something that humans have

Page 2

Shun - this technique has broken the limits of the cosmos ?! cut in two with just one blow.

Page 3

Shura - Eclipse Excalibur.

The souls of the dead that were around that brat ... are being cut completely.

Deathmask- Hey, you! Do you really want this brat? I will fulfill your desire!!

Page 4

Deathmask - you gave me!! now I will open a portal directly to hell ... that has just emerged in this world!

Page 5

Shura - Are the souls of the dead being directed to hell ?! Is the presence of natassia remaining in this cigarette? death mask made a substitute for natassia?

Page 6

Deathmask - lock now !!

Shura - the presence of the spirit disappeared ?!

Milo- a presence of life a pure cosmos

Page 8

Natassia- dad!! Daddy ... why are you crying?

Hyoga - because your presence here makes me happy ... and I felt lonely without you.

Page 9

Hyoga - I can not sacrifice someone to save people ... even though I became an adult, I did not change anything like I was before. despite this, I survived alongside those I love and your dad can not give up.
