DOOGLE WORLD MOBILE APP

Are you a **Dog Owner** who have struggled to find a dog trainer for your canine companion? Are you a **Dog Trainer, Club, or Organization** who offer dog training services? Doogle World mobile app was created for just these reasons, connecting those dog owners with local dog businesses to get the help they need.

Dog Owners shouldn't have to be frustrated with spending days or hours searching for Dog Trainers when they have a dog training need. Whether you are looking for dog sport clubs or dog trainers that can help you and your canine companion with dog dancing, obedience, agility, personal protection, behavior modification, or tricks, Doogle World has made it easy for dog owners.

Just **download the Doogle World mobile app** and search by using the drop-down menu of approximately twenty training types as well as use filters to include distance, and reviews. We wanted it to be that easy, that fast.

Doogle World

Doogle World is the:

#1 Dog Mobile App for finding Dog Trainers near you.

#1 Dog Mobile App for Dog Trainers who provide local dog training services.

FIND DOG TRAINERS

Doogle World gives you free and instant access to Professional Dog Trainers near you that can train anything from Dog Dancing, Obedience, Behavior modification, Protection Sports, Water Sports, Ring Sports, Police K9, Hunting, Herding, Agility, Tricks, Nosework, Conformation Showing, AND any other training you may need. And that's not all!!

Doogle World has made it SIMPLE to search for trainers, review their website and/or social media accounts, read their ratings and reviews, view training schedules, make contact with trainers and even a way of knowing if they are accepting clients are not!

-
You can even search for trainers using filters: Name, Ratings, Distance, and Training Need Type

-
 **DOG OWNERS**

Already train under a Trainer, Organization, or Club? Make sure they are in Doogle World so you can leave them a pawesome review. Don't forget to add and save your pack members to your "My Dogs" profile page.

DOG TRAINERS

The free, quick, and easy trainer registration in Doogle World allows your past, present, and future clients to rate and leave reviews. Give others in your area an opportunity to get the help they need from you

TRAINERS, CLUBS, ORGANIZATIONS

The thousands of dog trainers, clubs, and organizations in over 40 states provided in the mobile app is to ensure that any dog training need is covered no matter the dogs age or breed. Doogle World provides a platform that helps small dog training businesses have similar opportunities of large businesses.

Most dog training clubs and businesses are adding their profiles nationwide and others are added through public records and other sources. As much information as possible is being added to each training profile to include contact information, websites, schedules, and social media accounts.

This is all to help dog owners get a list of the best local professional dog trainers and clubs for their needs. Dog Trainers will also see a decrease in owners contacting them for services they don't offer.

OTHER SERVICES

Doogle World, now rated #1 for finding local professional dog trainers, is on track to be the household name for **any** dog training need or service! "Who can give me a ride home from the airport"? You should call for an Uber or Lyft". "Where should I go to get dog training help"? Whether it is looking for a local dog trainer or needing to just ask dog training related questions, we can now all say "Download the Doogle World app!".

We understand that sometimes dog owners just need a question answered which is why we created a 24/7 **Forum**. All questions will go to trainers listed in the mobile app so you can get as many responses as possible, and quickly.

Lastly, what is a Dog mobile app without being able to post your canine companion training video, a picture of pure cuteness, or the pup just being lazy. It is nice seeing a feed dedicated to only dog photos and videos.

Doogle World is getting the attention of many dog owners and trainers nationwide. We will continue to make connecting dog owners with dog trainers easy.
