

Handmade Custom Paintings And Portraits From Arttree Studio

Is there anything better and more thoughtful than a customized piece of art? You've got great taste, whether you're gifting handmade custom paintings to yourself or a loved one! Customized paintings are incredibly thoughtful and always add a personal touch to anything.

So, if you're struggling with which designs to pick for yourself or a loved one, your one-stop solution is the Arttree studio. At Arttree, we offer a wide range of options for you to customize your paintings.

Custom Personal Portrait

Are you someone who loves to deck their walls with all things personal? Well, opting for custom personal paintings is an excellent choice. Due to their customizable nature, you can choose exactly what goes onto your walls. For example, you can choose a beautiful picture of yourself, a photo of your pet, or even a perfect family photograph.

Arttree provides 100% Highly Durable Handmade Personalized Portrait Canvas Paintings such as People, Families, Couples, Houses, and Pets, among other subjects. We guarantee that once the portrait has been hung up, it will not go overlooked by your family and friends. Our price range for custom personal portraits begins from \$289 and comes in the 40x60 cm size.

Custom Canvas Painting

If you're nit-picky about what exactly you wish to hang on the walls of your home, opting for custom canvas paintings is just the solution for you. You can choose the artist whose painting you wish to recreate and which painting you want to reproduce with custom paintings. Arttree sells only the highest quality handcrafted paintings, acrylic and oil canvas art, knife art, and famous oil reproduction paintings by artists such as Vincent van Gogh, Henri Matisse, Claude Monet, and others all at affordable prices.

Our pricing for custom canvas paintings starts from \$189 and is available in the 40x60 cm sizing. The artists who will customize your artwork will have ten plus years of experience. Our prints are all high quality, yet our pricing is always kept at a reasonable level.

Custom Canvas Photo Print

Another exquisite form of customized art to consider is custom canvas photo prints. These are digitally curated canvas prints, just according to your liking. Whether you want them to be prints of yourself, nature, animals, landscapes, or anything else is entirely up to you.

Custom Canvas Photo Prints from Arttree are 100 percent high quality, fade-free, and water-resistant, with a lifespan of about 40 years when stored carefully. For the 40x60 cm sizing, our price range starts from \$49.

Conclusion

Handmade custom paintings are an excellent way to commemorate a special occasion because they are created exclusively for you and will last a lifetime in your collection. They are a great addition to your collection, but they also double down as beautiful gifts. Presenting someone with a personalized gift displays the highest forms of affection. So, if you want to make a loved one feel special, opt for handmade portraits to warm their hearts.

When you purchase art from Arttree studio, you may rest assured that your prints, canvases, and paintings will be of nothing but top-notch quality. We always use premium quality materials to ensure that our products are durable and long-lasting. So, you can blindly purchase whatever you like from Arttree without worrying about the quality.
