

Adjustable double diners - iconicpet.com

<https://www.iconicpet.com/cat-products.html>

- Iconic Pet Stainless Steel Adjustable Double Diner is high in quality, durable and easy to clean
- The height of individual bowl can be adjusted separately to different levels
- This adjustable pet double diner features two stainless steel bowls that fit securely in a sturdy frame made of Wrought Iron
- Bowls height can be easily adjusted to different heights with the help of screw clamps and special lock system that holds pet dishes in place
- Adjustable height of the bowls allows the diner to grow with any dog, so he can eat comfortably at any age
