

## Top 7 Toppings to Pair with Pepperoni on Your Rising Crust Pizza

Pepperoni pairs perfectly with a variety of toppings on your rising-crust pizza. Mushrooms add earthy flavor, while green peppers provide crunch. Onions bring sweetness, and black olives offer a salty tang. Fresh basil adds brightness, and sliced tomatoes bring juiciness. These toppings create a deliciously balanced and flavorful pizza that's sure to satisfy your cravings. To know more visit here <https://cravnflavor.com/product/pepperoni-rising-crust-pizza/>

## Top 7 Toppings to Pair with Pepperoni on Your Rising Crust Pizza

When it comes to pairing toppings with rising-crust pepperoni pizza, there are several delicious options to consider. Here are seven mouthwatering toppings that complement the savory flavor of pepperoni:

- **Mushrooms:** Sliced mushrooms add earthy flavor and a satisfying texture to your pizza.
- **Green Peppers:** Fresh green peppers add a crisp, slightly sweet flavor and vibrant color to your pizza.
- **Onions:** Whether caramelized or thinly sliced, onions bring a sweet.
- **Black Olives:** Briny black olives provide a salty and tangy contrast to the rich flavor of pepperoni.
- **Fresh Basil:** Fragrant fresh basil leaves add brightness and herbaceous aroma to your pizza.
- **Sliced Tomatoes:** Juicy sliced tomatoes bring a burst of freshness.
- **Italian Sausage:** For an extra kick of flavor, add crumbled Italian sausage to your pizza along with the pepperoni.
