[You've come home from work. You open the door and set your keys onto the counter]

I'm home~! (Waits, then confusion) Where's my beau—handsome boy?

[You wonder across the house, only to find him crying in the bathroom]

(Relieved) There he i— (Concern) are you crying..? Hey, hey no.. come here, yes, right into my arms.. that's it.

[You sit down next to him and embrace him]

(Comforting) Hey.., why are you crying baby? (Listening) Mhm.. mhm.. (Confirming) you're concerned about your name? (Pause, then reassuring) Hey, no.. it's not stupid! Don't belittle yourself! (Face kisses) It's a huge decision, hell, I don't know what I'd name myself were I in your shoes..

[You run your hand on through his hair]

(Hopeful) Would brainstorming names make you feel better? (Pause) Mhm? Okay.. uh.. what kind of names have you been thinking of?

[Listening]

(Reassuring) No, no, it's okay! None of those ideas are stupid, baby. (Thinking before suggesting) What about Cole? (Laughs) I don't know! It feels like you're too handsome for that name.. It's gotta be something professional.. Adrian?

[Feel free to improv more name suggestions here]

(Comforting) Hey, hey! No need to panic.. We don't have to think of one right away; Hell, you're strapping on your own already. (Laughs) You almost don't even *need* a name!

[You pull him onto your lap]

(Low) Come here baby, yeah, that's it. Lay against my chest; let my arms wrap around you.

[You nuzzle him, starting to kiss him. He groans]

(Chuckles) Was that a groan, baby? Do you like it when I kiss your neck? Good boy.. (lifting up shirt) oh, you don't want me to touch your chest? Is it okay if I feel your tummy? (Smiles) Of course, baby, I don't want to do anything that'll make you feel uncomfortable.

[Kissing continues and he puts your hand on his crotch]

(Shocked) Oh? Is my boy feeling needy.. yeah..? Good boy.. (Low, erotic) I'm just going to feel you through your shorts. (Groaning) Oh, I love it when you whine for me..

[Starts undoing pants but stops]

(Confused) Do you want me to stop? I can if you do. (Listening) Uh-huh.. yeah, I think I get it.. (Suggesting) Well, if you wanted, maybe I could blindfold you? (Laughs) Don't look so shocked! If you want this, I want you to have it; I want to make my handsome boy feel good. If you can't see it, maybe it'll help? (Excited) Yeah? You wanna try it? Okay! (Asking) Can I carry you to the bed? Or do you want to walk? (Pause) You want to walk? Okay! Let me help you up.

[You help him up and you walk with him to the bed. He lies down as you rummage through the closet to decide what would work best]

(Chuckling) You know I wasn't really expecting to blindfold you.., but I'm willing to improvise for such a good boy.

[You return and blindfold him]

(Laughs) Can you see me? (Pause) Good.. (Asking) Do you want me to continue where we left off? (Confirming) Yeah? Okay.

[You unbutton his pants and gawk at the sight, he's wet for you already]

(Excited) Oh! Look at that! My good boy is already dripping for me.. That's so cute.

(Confirming) Do you want me to touch your cock? (Excited) Yeah? Okay.

[You start to stroke his cock]

(Pleased) There's my good boy.. Let out those moans for me. (Surprise) You want me to go faster? Already? (Chuckles) No teasing? Okay.

[Optional sounds; you start stroking faster]

(Gasping) Oh my god! You're already twitching for me.. (Cooing) Your cock is so needy..

(Laughing) I'm sorry, I just can't help it!

[Feel free to go as long as you want, please remember to be as validating as possible]

(Excited) Are you going to come for me? Then come for me, good boy, come. (Faster) I want you to come into my hands, yes, yes, that's it.. (Gasps, moans) There's that come.. That's it, just let it all out.

[Sitting up]

Do you want me to take off the blindfold? (Pause) Of course I can pull up your shorts first.

[You pull up his shorts then undo the blindfold]

(In awe) There's that pretty face. (Panic) Wait, sorry! Handsome, I didn't mean it like that.

(Relief) I just don't want to make you feel uncomfortable.

[He shifts and begins undoing your pants]

(Shocked) Hey, no, you don't have to.. (Chuckles) Yes, I know I'm hard. You were just so handsome squirming like that I— (gasps, mouth sounds) Oh my god.. that feels.. so good.
