- 1/4 teaspoon baking soda
- 1/4 teaspoon salt
- 1/2 cup milk
- 1/4 cup plain yogurt
- 1 egg
- 1 teaspoon vanilla extract
- Oil for frying

### **Instructions:**

1. In a large mixing bowl, whisk together the flour, sugar, baking powder, baking soda, and salt.
2. In a separate bowl, combine the milk, yogurt, egg, and vanilla extract. Gradually add the wet ingredients to the dry ingredients, mixing until a soft dough forms.
3. On a floured surface, roll out the dough to about 1/2-inch thickness and cut out doughnut shapes using a cutter or a small round object.
4. Heat oil in a deep pan to 350°F (175°C). Fry the doughnuts in batches until golden brown on both sides, about 2-3 minutes per side.
5. Remove the doughnuts from the oil and drain on paper towels. Once cooled, coat them with powdered sugar, glaze, or your favorite toppings.
