

# The Best Chartered Professional Accountant in Calgary

A chartered professional accountant (CPA) is a highly educated and experienced financial professional who is licensed by a provincial or territorial CPA body. CPAs provide a wide range of financial services, including auditing, taxation, financial planning, and Business Advisory & Accounting Services. The CPA profession is regulated by provincial and territorial legislation. To become a CPA, an individual must complete the CPA Professional Education Program and pass the Uniform Evaluation (UFE). The CPA profession is widely recognized as being one of the most demanding and respected professional qualifications in the world.
