

## Cenforce-Now Available at our Online Store

[Cenforce](#) is an erectile dysfunction medication. The major active ingredient in this medication is sildenafil citrate (which belongs to the class of Phosphodiesterase-5 inhibitors), which is also found in Viagra.

Our online pharmacy now offers [Cenforce](#) in 50, 100, 150, and 200 mg doses. The suggested starting dose for [Cenforce](#) is 50 mg once daily. It begins to function after around 30 minutes and can last for up to 4 hours. If you believe you did not obtain the intended impact, you can raise the dose. However, before modifying the suggested dose, you should visit your doctor.
