An artist statement is a concise written description of your art. Whether or not you are asked specifically for an artist statement, you still should have a concise Example Artist's . Examples of Artists' Statements Links up to date as of This list includes a wide variety of artists' statements. Also try checking out the sites of artists you like, or places that have . Developing Your Artists Statement An artist statement is never finished for long. Like your resume, it will be revised frequently, as your work changes and as you find new ways of . Professional and amateur artists may write artist statements for various contexts including art competitions, exhibition catalogs, grant proposals, press releases, sites, or class assignments. A super-short artist statement, or "elevator speech" should be more-or-less memorized, so you can clearly articulate to viewers what your work is about, both verbally and in writing. The Bau-Xi Gallery provides brief third-person objective statements that accompany the works of artists such as Lisa Burke, Jack Shadbolt, Bobbie Burgers, Karen Yurkovich, Margaretha Bootsma, Stuart Slind, Ken Wallace & Tom Burrows (to name only a few).
