

## Precautions for using e-cigarettes

Electronic cigarettes are similar to traditional cigarettes. [vape online](#). Their appearance, smoke, and smell are similar to traditional cigarettes, but they use atomization to replace nicotine in cigarettes with water vapor.

### Precautions for using e-cigarettes

1. Remember to use the original charger for charging.
2. Do not let the electronic cigarette be charged overnight.
3. If the battery becomes hot, it should be replaced immediately.
4. Do not use it when charging to avoid accidents.
5. Do not make any changes to the product, otherwise it will cause damage to the product.
6. If there is damage, water leakage or moisture, please do not use it again, remember to operate it correctly.
