What is a Twitch banner? What are they for?

Twitch banners are **another of the customizations that we can use** on this platform, and that will be seen when someone **enters your channel while you are offline** . If you have not configured it yet, then **you will only have an image with the name of your channel** , and to change it you can follow what I will show you next.

How to Change your banner on Twitch

Now there is not much you **need to do to change the Twitch banner** , as long as you already have the cover photo you want to use already created. Here I will show you **how to put a banner on your Twitch channel** in a couple of steps; though if you're looking to make one, you'll find it later.

Step 1: Go into settings

To enter the **configurations of your channel** you must follow the usual procedure. Click on **your profile picture** , and then select "**Settings**" at the bottom of the dropdown menu.
