

Concrete Sleeper Retaining Wall Installation

[Concrete Sleepers](#) is a proudly Australian company established in 2017. Based in Sydney our teams are able to service areas within Sydney and neighbouring metropolitan areas. We have several years of experience working with concrete sleepers and retaining walls. Seeing a gap in the market, we decided to pursue this avenue with our dream being to provide low-cost, affordable, quality concrete retaining walls to our customers. We have several years of experience working with [concrete sleepers and retaining walls Installation](#).

Today the company manufactures its own high-grade pre-cast sleepers to meet all your building needs. Custom options can be ordered to match your property's existing theme. Boasting a friendly customer support team, don't hesitate to get in touch with Concrete Sleepers today on [02 79223828](tel:0279223828), or send an email to info@concretesleepers.sydney.
