

## Chapter 73

### Page 1

Cronus - You can let me go if you want, so ... you can escape more easily.

### Page 2

Aiolia - You're definitely like the other gods. You really have trouble understanding simple things, do you not? I just said I swore to protect you. Have you forgotten? What kind of protection would I give you if I let you fall?

Cronus - but he's crazy, too. You can not protect yourself because of repetitive attacks. He was the first to jump to save me.

### Page 3

Aldebaran - that inconsequential. Your courage has no limits? Did you think before you act, Aiolia?

Aiolia - But I taught that this was the cause of what you told me. I told you that the comrades who fight with me will not abandon me.

Aldebaran - Pff. According. So what's the impression that leaves you?

Aiolia - my impression? Um, how to say ... I'll answer you ...

### Page 4

Aldebaran- Being able to trust others ... is not so unpleasant, is it?

Aiolia - Well ... that's right ... it's far from unpleasant.

Aldebaran - Well. Shaka reached them can you help us get back?

### Page 5

Aiolia - Sorry ... we had to use you as an elevator replacement. But it did us a good job.

Shaka - Me, an elevator? What a way to express yourself. It was a bit rude, do not you think?

Aiolia - Sorry, it was not very nice. I have you. Lithos ... sorry for making you wait.

### Page 6

Lithos - I ... I always believed in you Aiolia-sama, I knew you would come to help me. You told me you'd protect me, Aiolia-sama ... I never stopped believing in you.

Cronus - Again this expression. Is this word "believe" a worthwhile word to put lives into play?

### Page 7

Cronus - I ... I do not understand the weight of that word.

Aiolia - Oh, it's okay if you do not understand.

Cronus - Eh?

Aiolia - Do you want me to explain what you trust? Believing in someone .... is something that feels deep in your heart.

### Page 8

Aiolia - A man who can believe in someone ... is at the same time a person who receives the

confidence of others first.

Aiolia - And soon you ... should probably not remember ... but you are certainly an individual who is in a position to receive the trust of others. Because you're the king of the gods.

### **Page 9**

Milo - I would really love to hear some explanations from this guy ...

Aiolia - What are you doing here? It appears like this without warning?

Milo - So it is true?

Aiolia - What thing?

Milo - Is this a weakling even a king? One of the gods? I do not know much about you until now.

Aiolia - do not call him weak Do not laugh at him!

Milo - In that case, if we defeat him now, this war will end, will not he?

Aiolia - In no way!!

Milo - Damn you! You dared to attack me. I will not forgive you

Aiolia - Oh oh! I'll give you another blow.

Cronus - You call that trust too?

Lithos - do not look please

### **Page 10**

Shura -if that king agrees to put his trust in us, then .... such a thing would not be necessary ...

Aldebaran - yes, it would be possible to live in harmony.

Shura - yes, we can accept each other and build a trust. Other combats should not be performed.

Shaka - Without a leader this battle should be over. And that would bring peace immediately. It would be the most natural in the world.

### **Page 11**

Aiolia - I think this war against the gods now .... has ended ...

### **Page 12**

Cronus - Are these confrontations ... finished?

Aiolia - So ... let's just say ... it just depends on your desire, your majesty.

Cronus - Is this a decision of mine?

Aiolia - So I believe.

Cronus - Only you can make that decision.

Aiolia - Only me?

### **Page 13**

Aiolia - At that very moment many lives are struggling and disappearing from this world. Deep down they are all scared, but they cling to the courage to stay alive and stand. And your faith that gives you strength to face death face to face. Something that is a protection for them and the faith that has in their king. These souls believe in you ... they take your courage.

Cronus - If I want to save my people must I make an end to this war?

Aiolia - indeed.

#### **Page 14**

Cronus - But is it really possible? I have lost my powers and my memories. Could you lead the people like a king?

Aiolia - could? I think so, because you're the man that hyperion believes in. a man of a power and an incredible explendor, worthy of his confidence.

Cronus - As soon as he believed in himself, Lithos told me something. That this world of light belongs to no one and to all living being. are these words true?

Aiolia - Lithos did not lie.

#### **Page 15**

Aiolia - This world that benefits from the sun that is full of life. It is a place where everyone has the right to live.

Cronus - I do not understand. What you said to me should fill me with joy, and still ... it's so unreal. But I feel happy.

#### **Page 16**

Cronus - what's happening? This is strange. My tears ... do not stop falling.

#### **Page 17**

Aiolia - it's gonna be okay. You have the right to go into a world bathed in light. You have the right to live. And if the intruders do not agree, I'll understand.

#### **Page 18**

Pontus - Just discovered the kindness ... the confidence ... and the hope. Your heart is full of happiness. And from this heart comes the tears of his face.

#### **Page 19**

Pontus - It's the moment I was waiting for! That moment when your heart has just discovered peace is what I am going to unite with the awakening. It will join the darkness accompanied by despair. This is Cronus's destiny that can not be changed! This heart that will be hurt is just a heart that save now what is hope! It is that despair that will fill your cosmos with darkness at the hour this darkness will give your Dunamis a dark glow.

#### **Page 20**

Pontus - the day of returning the time and memory that had been torn from him, has arrived.

Mnemosyne - memory released

#### **Page 21**

Cronus - The land belongs to no one. What you told me is true?

Aiolia - Eh? What you mean?

Cronus - Nothing, I just wanted to be sure. Of that ... many times have passed so far without the land having an owner. This land belongs to no one. So it's like this....

#### **Page 22**

Cronos - So I'm not going to bother anyone ... if I take it for myself?

Aiolia - Cronos

**Page 23**

Milo - What just happened?

Aldebaran - What is this immense Cosmos?

Shura - Until now there was no sign of him, but ... suddenly a terrible power emanated from him.

This water sealed ... and projected from all parts in great swirls.

**Page 24**

Lithos - A scythe

**Page 25**

Lithos - Aiolia-sama, please !! Come help it it's very strange !! He's completely different from how it was a moment !!! Something must have happened ... something terrible has just hit him !!

Aiolia - Get away, Lithos. This man is no longer the little boy who shed tears. He is who gave the mythological times is famous for having committed parricide. He is the god who stole countless lives to have the world in his hands.

**Page 26**

Aiolia - Cronos the supreme god (an evil god who fell upon the world)

**Page 27**

Cronus - And now humans think it's the big moment to end after so much waiting. I came to bring ... the ruin ...
