

WHAT TO WEAR IN ITALY DURING AUTUMN || ShopSofia

Autumn is the perfect time to visit Italy. Not too hot, but still heat during the day. Not crowd-free, however truly fewer travelers and therefore lower hotel rates. However, like spring, autumn is a transitional season with an unpredictable climate that may cause a conundrum with regard to packing.

WHAT TO WEAR IN ITALY **DURING AUTUMN**

Email: sofiacustomerservice@gmail.com

While September is regularly as hot as August, October can be cold and November sees Italy's highest rainfall. So, precisely how do you prepare for the ever-changing and unpredictable climate that autumn in Italy brings without packing your entire wardrobe? Many of the tips in the "what to put on in Italy in spring" phase are also held real for autumn. The Italian idea to "dress like an onion" is the correct rule of thumb to follow when dressing for Italy's autumn.

Bottoms. Bring a couple of stretch denim or black leggings - ideal for hiking or exploring in comfort.

Tops. T-shirts and **tank tops** are nevertheless in play for the duration of early autumn, especially in Italy's south. A mild cotton or denim jacket will hold you heat while the October sit-back units in.

Outwear. Don't allow spring showers to hose down your sightseeing. Bring a lightweight rain jacket to hold your spirits excessive and your clothes dry while the climate swings from excellent and crisp to wet and foggy.

Shoes. Again, avoid soggy feet when sightseeing with waterproof tennis shoes or leather booties.

Hiking Gear. Autumn's cooling temperatures make it the right time to hit one of Italy's scenic trekking trails. No one desires to see or be, the tragic traveler trekking Vesuvius in a couple of turn-flops. A good pair of trekking boots is key in case you are planning to go trekking in Italy. While you are at it, p.c. a hat, a few lightweight shorts or leggings, and a cotton tee.
