

Get Covid-19 2nd 8th Day UK Arrivals Testing - G16 Covid-19 Testing

Covid-19 DAY 2&8 UK ARRIVALS TEST

In order to enter the UK you will need to book arrivals tests on day 2 only or day 2 and day 8. If you do not want a swab inserted down your throat and up your nose then chooses the G16 standard 2&8 packages. We do the complete process as painless as possible by doing all the hard work for you.

At this time it is mandatory for every person entering there UK to take a PCR covid test on day 2 and day 8 with the option of releasing early on day 5,6 or 7. The test has to be the test that we provide (RT-PCR test) and cannot be an antigen test.
