

# What Are The Different Starbucks Cup Sizes? - Mountain Lyon Cafe

FAQs Conclusion Demi: The smallest of the Starbucks cup sizes, this 3oz. Short: This 8oz. cup is great for trying out a new drink or sharing one with a friend. Tall: This 12oz. cup is the classic “medium size” and allows customers to get a larger serving of their favorite hot and cold beverages. Grande: A 16oz. cup, this size offers plenty of room for adding milk, syrup or other ingredients while still leaving enough room in the cup for coffee. Venti Hot: This 20oz – 24oz. serving is the largest standard size offered by Starbucks and ideal for those who want to maximize their caffeine intake in one sitting. - <https://reentry.co/5gix4>
