

# JOCELYN HOWARD: ALL ABOUT RON HOWARD'S DAUGHTER

Welcome to our Jocelyn Howard bio — the ultimate guide to learning about the life and career of one of Hollywood's talented individuals. As the daughter of the legendary Ron Howard and accomplished Cheryl Howard, Jocelyn has deep roots in the entertainment industry. But there's more to Jocelyn than just being a celebrity kid — she's also an actor in her own right, having appeared in Arrested Development's Emotional Baggage episode according to IMDb. While Jocelyn's family members have made numerous appearances on the big screen, she has made a name for herself in her own unique way. In this post, we'll delve into all the details about Jocelyn Howard — from her personal life to her professional achievements.

## Birth & Early Years

Jocelyn Howard, daughter of the iconic [Ron Howard](#), was born alongside her twin sister Paige Carlyle Howard on February 5th, 1985 in the city of angels — Los Angeles, California. While Jocelyn's father is a household name in Hollywood, her mother Cheryl Alley is a talented writer. Fast forward to 2023, Jocelyn is now 38 years old and has an elder sister Bryce Dallas and a younger brother Reed Cross Howard.

As children, Jocelyn and her siblings were inseparable — creating countless fond memories along the way. The family often went on fun adventures together, often traveling to different places for their family outings. During their early days, the Howard family lived in the suburbs of New York City, with Ron wanting to keep his children away from the spotlight of the media. Coming from a diverse background, Jocelyn is of Dutch, German, Irish, English, French, and Scottish descent. She is proud to be an American by nationality.

## The Story Behind the Unique Middle Names in Jocelyn's Family

Jocelyn's father, Ron, shared the fascinating story of how his children got their distinctive middle names. Unlike most families, they didn't follow any traditional naming conventions. Instead, Ron wanted to honor the places where his children were conceived..

Jocelyn and her twin sister Paige were born in New York City, and as a tribute to their birthplace, they both received the middle name, Carlyle, after the iconic Carlyle Hotel. Their older sister, Bryce, was born in Dallas, and so her middle name became Dallas. However, when it was time to name his youngest son, Reed, Ron had a tough time finding a suitable option. Reed's parents decided to break away from their traditional naming convention when he was born as they weren't happy with the option of giving him the middle name Volvo. Even though Reed was conceived in one, they deemed it an unsuitable name. Instead, they gave him the middle name Cross, after one of the famous streets in London. In the end, Jocelyn and her siblings ended up with unique and meaningful middle names that hold a special place in their family history.
