Allah save him

Rise O Muslim heroes to aid our religion and sacred places that are overwhelmed by the Jews and Christians and their agents. Revive the sunnah tradition that was started by the Prophet's sahaba peace be upon him and was blessed by him, just like Muhammad bin Muslimah and his friends may Allah be pleased with them did against Ka'b bin al-Ashrah al-Yahoodi. Also when Abdullah bin 'Ateeq and his friends may Allah be pleased with them did against Salam bin abi al-Haqiq al-Yahoodi. Also when Abdullah bin Anis may Allah be pleased with him did against Allah's enemy Khalid bin Sufyan al-Hazali. At that time, we also saw Khalid al-Islambuli and his friends may they rest in peace did against Allah's enemy Anwar al-Sadat. So who is going to take on bin Zaid and bin Salman and others like them? Who is going to take them on because they wronged Allah and His prophet and the believers and dared every one of our religion's sacred and trampled over every honorable custom. So whose going to take them on O Muslim heros?

to take on Bin Zaid. He has harmed Allah and His prophet”
