

# Wild Earth Dog Food vs V-Dog: What's The Best Option?

## WILD EARTH DOG FOOD VS V DOG FOOD

When it comes to [vegetarian dog food](#), Wild Earth is a top contender for sure. They make a variety of products that are healthy, tasty, and incredibly well-made. However, if you're looking for something specifically for cats, V-Dog may be a better choice. These two companies are both leaders in vegan pet nutrition and have the results to prove it. I hope this article has helped you decide which company to go with!
