

HR Outsourcing Companies in UAE

Outsourcing is when an organization hires an independent HR agency outside its firm to fulfill its HR needs and requirements as and when necessary at an agreed price.

Ultimate HR Solutions is one of the leading [HR outsourcing companies in Dubai and Abu Dhabi](#). Our edge is our deep understanding of the local culture, market economics, employment laws, legal framework, and global sourcing strength. We provide bespoke solutions for our clients with complete transparency, commitment, and dedication. We take care of everything – right from sourcing the right candidates to managing their visa and other legalities for a smooth onboarding. We also offer payroll management services, taking care of all the administrative hassles thereby saving our clients time, and improving productivity and cost efficiency.

Today, With over 30,000 employees outsourced and contracted in the last 20 years, and over 3000+ currently active employees on our payroll and visa but outsourced to work with over 75 + clients, we can proudly say that we are one one of the most reliable and trustworthy recruitment agencies in the UAE.
