The ending of the saga has been divided into two parts, Fast & Furious 10 and 11.

Jason Momoa has shared new insights about his personality in Fast and Furious 10, and incidentally, he is playing a reprobate in the film. The Aquaman entertainer was affirmed to go along with one of the greatest Hollywood establishments toward the beginning of this current year. With only two films left to finish the adventure, fans have thought about which job would Momoa play. Keep reading for more [latest hollywood news](#).

F9, the 10th portion of the series, was delivered a year ago. The film was a hit, and it was as of late declared that it will advance toward real time features. The Vin Diesel-starrer will be added to HBO Max's streaming arrangement on Friday, fourth March. This will check whenever that F9 first is free as a component of a streaming membership.

The consummation of the adventure has been separated into two sections, Fast and Furious 10 and 11. It was as of late announced that Fas 10 is being worked on and will turn out in May 2023. While the last option will be delivered in 2024. Presently, Jason Momoa has uncovered that he will assume the part of a scoundrel in the film and in addition to any miscreant however a "ostentatious terrible kid."

While going to The Batman debut, Jason Momoa talked with Entertainment Weekly with regards to his job in Fast and Furious 10. "I will go do Fast 10, that will be entertaining. Accomplish something, little, free over in London," Jason said. "It's tomfoolery, I get to play the miscreant, which I haven't had the chance to accomplish for some time. Presently, I become the awful kid. An extremely ostentatious awful kid. A little panache!" he added.

However Jason joined the Fast group this year, Dwayne Johnson, who assumed the part of Luke Hobbs, left the establishment and began his side project Hobbs and Shaw with Jason Statham as Deckard Shaw. The purpose for this was his quarrel with a couple of other cast individuals, particularly Vin Diesel.

Presently, fans anticipate the arrival of Fast and Furious 10 and 11. Other than Jason Momoa and Vin Diesel, the film will likewise star Michelle Rodriguez, Tyrese Gibson, John Cena, Charlize Theron, Ludacris, and that's only the tip of the iceberg. Stay tuned to [Koimoi](#).
