Choose the Right Visa

[Immigration](#) and visas are two different things. You need to know the difference in order to choose the right visa for your situation. When you immigrate, you're moving your residency from one country to another country.

If you're an entrepreneur or investor, this might be a good option for you. On the other hand, if you want just a temporary stay in New Zealand with no intention of staying permanently, then you need a visitor's visa.
