

FT-3D Knee Resurfacing Surgery Review | Painless Knee Surgery In India | Healing Hospital CHD

In this inspiring video, Ms. Baljeet Kaur, From Punjab, shares her remarkable journey of overcoming chronic knee pain at [Healing Hospital](https://healinghospital.co.in), who underwent a life-changing knee surgery using the revolutionary Robolens FT-3D Knee Resurfacing surgery technology. After years of suffering from severe knee pain and countless consultations with doctors across Punjab, we discovered a modern alternative to traditional knee replacement.

Join us as they recount their experience at Healing Hospital, where she met the highly skilled Dr. Tarandeep Singh Gill, a senior orthopaedics and joint replacement consultant at Healing Hospital Chandigarh.
