

Top 4 reasons to check with an Avian Vet

Top 4 reasons to check with an Avian Vet

- *Initial examination*

Checkup of your bird, noting its weight, age, and where your bird was obtained

- *Basic care*

Avian vet will guide you on how to properly take care of your bird

Diagnosing illness at an early stage

An Avian vet can spot problems earlier without allowing them to progress into something worse

progress into something worse

- ***Behavioural issues***

Avian veterinarians can guide you about normal and abnormal bird behaviours, and suggest behavioural modification techniques to help your bird if behavioural issues are present
