

The Remarkable Ford Ranger

The Ford Ranger is one kind of these vehicles becoming popular quickly and Ford has recognised this. You will find there's special edition from the Ranger called the Ranger Wildtrak which appears to be accepted the other models. It is specifically made around the outdoor adventure sports enthusiast looking for head turning looks and practical functionality.

Ford claims by purchasing its outstanding selectable 4x4 capability, the Ranger Wildtrak is an ideal vehicle to transport the active sportsperson for the most extreme terrain, around the globe. The Wildtrak model is easily distinguishable by its unique front grille, functional roof bars and side steps. A fashionable front over-rider, unique aluminium sports bar and colour-coded door handle protectors with the side and rear.

The excess practically doesn't imply less luxury features inside; the inner remains as luxurious as being a typical family car. The Wildtrak was in fact the initial UK Ford model ahead with a fully integrated DAB digital radio with MP3 technology as part of the standard specification.

Standard specification within the unique Ford Ranger Wildtrak includes:

- ABS
- Driver and passenger airbags
- Air-Conditioning
- Two-tone leather dark grey/light grey interior
- Blaupunkt DAB54 digital radio with MP3 technology
- Scuff plates

- Electric windows and mirrors
- Roll 'n' lock "Mountain Top" Truck tonneau cover
- Sports bar
- Roof bars
- Bed-liner
- Side step rails
- Rear stop bar
- Five-spoke alloy wheels
- Unique Wildtrak side and rear decaling
