

Mix Alcoban Plus With Water and Quit Drinking Permanently

Addiction to alcohol and smoking can seem like an incurable disease. Especially when the addict refuses to change. This is why you need Alcoban Plus. This is the world's first [ayurvedic anti-addiction medicine](#) that can be given without the addict's knowledge. It works in just 45 days.

Alcoban Plus drops are a colorless, odorless and tasteless treatment which means that it can be easily mixed in with tea, coffee, water or food. Just add 10-15 drops of Alcoban Plus to the addict's meals/tea and within just a few days, they'll start to slowly give up [alcohol and smoking](#).

Eventually, they'll hate even the smell of alcohol and cigarettes. Alcoban Plus also detoxifies the body and works on liver and lung damage.
