Modern Gulmohar Hostel Facilities: Boys Hostel near Anupam Garden

Security:We understand that for a human being to live peacefully, safety & security are prerogatives. Close Circuit Cameras all over the premises to ensure that every activity of residents and our staff is being monitored under strict surveillance.

Power backup: 24*7 Electricity (Power back-up) is one of the biggest challenges that this country is thriving to achieve. Even the National Capital (Delhi) isn't spared off constant power-cuts & grid failures. High capacity, heavy duty generators have been installed at each of our facilities, hereby maintaining optimum power around the clock.

Water:We maintain adequate water storage at every location irrespective of season, scarcity, or any obstacles. 24 hours' availability of running water is what we have ensured at every location.

Hostel dining room: As our MOTO states "Home Away From Home", we are committed to provide homely & conducive atmosphere to the residents of our hostel. Air-conditioned Dining

Rooms (at most locations) makes the eating experience rejuvenating and revitalizing. Enduring the immense pressure of competition as most our residents are student, it is imperative that they get a satisfying meal, every time to come to dine at one of our kitchens.
