Flat Roofers Toronto is a full service roofing companies that not only specializes in commercial flat roofing but we also do residential shingle and metal roofing. Having been in business for over 10 years we have done many new roofs and roof repairs. We work with our clients to give them what they desire, we have many different flat roofing choices to fit your budget. We always provide our clients with free quotes and a 100% satisfaction guarantee. We service all of Southern Ontario including Scarborough, North York, Markham, Richmond Hill, Ajax, Pickering, Etobicoke, Vaughan, Mississauga and the rest of surrounding cities.
