**Pope calls for a new world order**  
Thursday, January 1, 2004 Posted: 9:21 AM EST (1421 GMT)

**VATICAN CITY (AP)** — Pope John Paul II rang in the New Year on Thursday with a renewed call for peace in the Middle East and Africa and the creation of a new world order based on respect for the dignity of man and equality among nations.

John Paul presided over a morning Mass inside St. Peter's Basilica to mark the World Day of Peace, which the Roman Catholic Church celebrates every January 1. He appeared in good form, delivering his entire homily in a strong and clear voice despite a relatively tiring holiday schedule.

This year, John Paul directed his thoughts to continuing conflicts around the globe. But he stressed that to bring about peace, there needs to be a new respect for international law and the creation of a "new international order" based on the goals of the United Nations.

He called for "an order that is able to give adequate solutions to today's problems based on the dignity of the human being, on an integral development of society, on solidarity among nations rich and poor, on the sharing of resources and the

A controversial 'secret map' divided post-war South America into four Nazi territories. Its background in black due to the

## Footnote to History FDR and The 'Secret Map'

During the bleak autumn of 1941, the United States had yet to enter World War II. President Franklin D. Roosevelt faced strong "anti-interventionist" sentiment at home despite the growing Axis threat abroad. Hitler's invading Panzers menaced Moscow, and German submarines threatened to cut off Britain, now existing alone in the West. Winston Churchill sought more help from FDR, who pledged to make America a "great arsenal of democracy" and quietly ordered the U.S. Navy to escort trans-Atlantic convoys. But influential Americans—Socialist Norman Thomas, publisher W. R. Hearst, GOP Senator Robert A. Taft, aviator Charles Lindbergh, Progressive Robert M. La Follette, Jr.—led the fight against efforts to aid the Allies or prepare for war; on August 12, 1941, the House of Representatives renewed the year-old peacetime draft by only one vote. Here, historians John F. Brutzel and Leslie B. Rost, Jr., supply an intriguing footnote to FDR's campaign against the isolationists—before the Japanese attack on Pearl Harbor ended the argument.

by John F. Brutzel and Leslie B. Rost, Jr.

In 1941, as the undeclared war in the Atlantic escalated, President Roosevelt grew increasingly bold in his campaign to undermine his isolationist foes in Congress. In a nationally broadcast address delivered at the Navy Day dinner on October 27, 1941, Roosevelt denounced German U-boat attacks on U.S. warships and presented their capture as proof that Britain would get through. The President then made a startling disclosure:

Hitler has often presented his plan for conquest as an extension across the Atlantic Ocean. I have in my possession a secret map, made in Germany by Hitler's government—by planners of the new world order.... It is a map of South America and a part of Central America as Hitler proposes to reorganize it.

This map, Roosevelt told his audience, took 14 Latin American republics and reduced them to "five vassal states.... bringing the whole continent under their [Nazi] dominion."

@DUMBSandUNDERGROUND

The **Black Sun** (German: *Schwarze Sonne*) is a Nazi symbol, a type of [sun wheel](#) (German: *Sonnenrad*)<sup>[1][2]</sup> employed in a post-[Nazi Germany](#) context by [neo-Nazis](#) and in some strains of [Satanism](#).

The symbol's design consists of twelve radial [sig runes](#), similar to the symbols employed by the [SS](#) in their logo. It first appeared in Nazi Germany as a design element in a castle at [Wewelsburg](#) remodeled and expanded by [Heinrich Himmler](#) which he intended to be a center for the SS. Whether the design had a name or held any particular significance among the SS remains unknown.

Its association with the [occult](#) originates with a 1991 German novel *Die Schwarze Sonne von Tashi Lhunpo* ("The Black Sun of Tashi Lhunpo") by the pseudonymous author [Russell McCloud](#). The book links the Wewelsburg mosaic with the neo-Nazi concept of the "Black Sun", invented by former SS officer [Wilhelm Landig](#) as a substitute for the [Nazi swastika](#).<sup>[3][4]</sup>

CONSCIOUSNESS ENSLAVEMENT

# Hive Mind and Groupthink

## The Curse of the Perfect IPT

*Lt. Col. Harry J. "H-Man" Hewson, USMC*

**O**kay, brothers and sisters, let's take a look at the model integrated product team working in one of our world-class DoD program offices. You have young, talented, well-educated, well-groomed professionals—a mix of military, government, and contract support people—engaged in some high-tech project that promises to be transformational to the warfighter.

The military crowd is largely composed of technically oriented acquisition professionals who have career-tracked from one systems command or lab to another for the majority of their time in the Service. The government crowd is mostly made up of serious, upper-caste GS types—engineers, logisticians, budget whizzes, and contracts administrators. The contract support bunch is probably former or retired military, there to provide depth of knowledge and experience where the rest of the team comes up short. The team members are very likely to agree on politics and worldview (and anyone who doesn't, knows better than to speak up). The team leader is an O-5 or O-6 overachiever, driven to keep the program on track through its milestones and get the product to our boys in Iraq, so they can use it to finish off this fight once and for all and come home in time for the victory parade.

They are a purpose-driven team. They share a common goal and a common culture. They believe in what they are doing.

They also believe their own BS.

The program is behind schedule, over budget, and coming up short on performance parameters. The operational testers are reporting serious effectiveness and suitability issues. The Service's program objective memorandum working group is eyeing the program's budget exactly the way a

***Hive mind:* "A form of collective consciousness strongly exhibiting traits of conformity and groupthink."**

Wikipedia

Hewson is the program manager of NAVAIR's CH-46 helicopter program. When not on duty, he can occasionally be seen wearing sandals.

pit bull eyes a t-bone steak. Neutral stick and opposite rudder won't help the spin that this program is in. It's time to ride the silk. Eject, eject, eject.

### What's the Problem?

Sound familiar? The DoD is rife with programs that fit this description, and no Service is particularly better at producing them than another. We are jointly capable of running bad programs. And while there is a long list of reasons why programs fail, somewhere on each team's list should be a note about its composition because across the DoD, our organization and management of people tend to set us up for disaster.

Which brings me to hive mind and groupthink.

*Hive mind*, says Wikipedia, is "a form of collective consciousness strongly exhibiting traits of conformity and groupthink." *Groupthink*, according to psychologist Irving Janis, who coined the term, is "a mode of thinking that people engage in when they are deeply involved in a cohesive in-group, when the members' strivings for unanimity override their motivation to realistically appraise alternative courses of action." Each term shares the common roots of conformity, unwillingness to dissent, and self-censorship. Combined, they form a noose around the neck of any cross-functional team, producing shallow thinking, flawed reasoning, and bad decision making.

Military and government service, particularly in the weapons systems acquisition communities, tends to appeal to a certain type of person. You don't get many artists, or amateur rock musicians, or neo-beat poets. Patchouli-wearing peaceniks and anti-World Trade Organization anarchists usually don't make the cut. There are very few big-wave surfers, half-pipe skateboarders, or budding concert pianists in the ranks. We are a fairly homogenous, left-brained community that does not strongly value artistic creativity, spontaneity, individualism, or imagination. We suppress dissent like a HARM missile suppresses radar. We tend to be a fairly self-righteous lot, convinced of our purpose and mission. We are a little uptight and very defensive about our programs. All of which makes us good fertile agar for the insidious culture of hive mind and groupthink.

### Fighting Back

So how do we, as leaders and members of high-performance IPTs, recognize and avert these destructive conditions? There are some easy, local things we can do to avoid hive mind, groupthink, and the long list of their genetic cousins.

First, recognize and understand the fact that hive mind and groupthink are always lurking in the shadows and are ultimately destructive. Make everyone on the team aware, and make it clear that such tendencies must be battled.

Second, work to create a climate that values dissent. Appoint a devil's advocate.

Open up discussions and demand well-reasoned discourse from every team member. Encourage rational arguments. Engage and provoke people, and demand that they do the same.

Third, when making hiring decisions, look for the outliers. You know who these people are. They're the organizational weirdos who tend to take up a lot of your time with their side issues and interpersonal problems. Often they don't work well with others. Perfect! Find the kernel of genius in these folks and use it.

Finally, reinforce your ties with the end users: the soldiers, sailors, airmen, or Marines who are relying on your product in actual combat. Plumb them for ideas, and bounce your concepts off them. Learn the ground truth for yourself so that you can keep the team headed in the right direction. An infusion of operator skepticism will help cut through the program office BS every time.

Hive mind and groupthink are the antithesis of critical thinking. As professionals entrusted with turning tax dollars into effective weapons systems, it's really our responsibility to make sure that we recognize the risk and control for it. You all agree, right?

Right?

The author welcomes comments and questions and can be contacted at [harry.j.hewson@usmc.mil](mailto:harry.j.hewson@usmc.mil).

***Groupthink: "A mode of thinking that people engage in when they are deeply involved in a cohesive in-group, when the members' strivings for unanimity override their motivation to realistically appraise alternative courses of action."***

# THE SYNAGOGUE OF SATAN: THE SECRET HISTORY OF JEWISH WORLD DOMINATION

By Andrew Carrington Hitchcock

- **The Book of Revelation, Chapter 2, Verse 9, states the following which would appear to be about these Ashkenazi Jews:**

**"I know thy works, and tribulation and poverty, (but thou art rich) and *I know* the blasphemy of them which say they are Jews, and are not, but *are* the synagogue of Satan."**

- **Moses Amschel Bauer places a red sign above the entrance door to his counting house. This sign is a red hexagram (which geometrically and numerically translates into the number 666) which under Rothschild instruction will end up on the Israeli flag some two centuries later.**

The Hexagram is formed by uniting the Water Triangle with the Fire Triangle, which is called the Six-pointed Star, Star of David, Solomon's Seal, *etc.*

When the two triangles (the "Water Triangle" and the "Fire Triangle") are joined together into one symbol, it forms a six pointed star known as a double triangle, hexagram, Crest of Solomon, star of the microcosm and the Shield of David, among other names. It is even called the "talisman of Saturn." Mary Ann Slipper remarks: "This six pointed star is used in masonic work and is also found in other well known secret orders."

Masonic writer, Robert Macoy, reveals that some men believed:

“that Baal was the Saturn of Greece and Rome; and there was a great conformity between the rites and sacrifices offered to Saturn and what the Scriptures relate of the sacrifices offered to Baal.”

Blavatsky also confirms that **SATURN IS BEL OR BAAL**. The Bible condemned Baal worship on numerous occasions. Whenever the Israelites forsook the true God, they turned their worship to false gods, usually Baal. They went so far as to even burn their children as sacrifices to Baal: “They have built also the high places of Baal, to burn their sons with fire for burnt offerings unto Baal, which I commanded not, nor spake it, neither came it into My mind” (Jeremiah 19:5). Some other verses that deal with the abomination of Baal worship are: Judges 2:11, 13; 3:7; 8:33; 10:6,10; I Samuel 7:4; 12:10; I Kings 18:18; 22:53; II Kings 17:16; 21:2-3; II Chronicles 17:3; 24:7; 28:2; 33:3; Jeremiah 11:13, 17; 23:13; 32:29, and 35.

Additionally, **SATURN WAS** known as the god **SET**. Remember Set, the “Egyptian god of evil,” which we covered earlier?

In ancient mythology a festival was held in honor of Saturn which was called the Saturnalia. “[T]emple **PROSTITUTION AND SEXUAL LICENSE**...was most

## "Communist Jews Trained as Terrorists and Guerrillas"

Many don't know that Israel was founded by communist terrorists from the Soviet Union. They have always been communists, which is why they have no qualms partnering militarily and economically with China and Russia.

The Haganah and Irgun were nothing less than communist death squads.

CIA Reading Room, DAILY SUMMARY - 1948/01-1948/03, FOIA/ESDN Number: 06749453  
page 23

Dynamic Silence was invented by Rabbi Feinberg of the American Jewish Committee in 1947 as a method of closing off all access to the public media – and thus the larger culture – for people or organizations deemed to have an unacceptable point of view. In spite of minor changes and adaptations, it can still be understood as being comprised of two parts. In the first part, unfavored individuals are denied unmediated exposure to the public. In the second part, only negative aspects of the unfavored individuals are reported. This starts a downward spiral of de-legitimization in the public eye in which the harder unfavored individuals try to get public exposure, the more negative and unflattering that exposure becomes until, finally, nobody wants to be associated with the ideas or beliefs of the unfavored individuals.

"Dynamic Silence" is typically the method of dealing with non-kosher, dissident points of view. For instance, your conservatard media pundits will talk all day about Chyyna but will never, ever broach how Israel is intimately tied to the Chinese Belt & Road and is [positioned to become the center](#) of both "belts" (sea and land).

Nor will they mention that Israel is being set up to be the "[guardians of the internet](#)"

Anyone sounding the alarm bells on the coming multipolar world order and Israel's key position; or Israel's backdooring of US technology; or Israel's child-sex blackmail operations mirroring what the Soviet Komsomol did will be ignored and drowned out by provocative headlines and narratives.

Only approved dissent is allowed to reach your ears.

If you live in a country (founded by Whites) and they tell you White Nationalism is the greatest domestic threat, your country is controlled by ashkeNAZI Jews.

### **Hillary Clinton's Muslim Brotherhood Association:**

In Obama's second term, Secretary of State Hillary Clinton authorized the shipment of American-made arms to Qatar, a country beholden to the Muslim Brotherhood, and friendly to the Libyan rebels, in an effort to topple the Libyan/Gaddafi government, and then ship those arms to Syria in order to fund Al Qaeda, and topple Assad in Syria.

Clinton took the lead role in organizing the so-called "Friends of Syria" (aka Al Qaeda/ISIS) to back the CIA-led insurgency for regime change in Syria.

Under oath Hillary Clinton denied she knew about the weapons shipments during public testimony in early 2013 after the Benghazi terrorist attack.

In an interview with Democracy Now, Wikileaks' Julian Assange is now stating that 1,700 emails contained in the Clinton cache directly connect Hillary to Libya to Syria, and directly to Al Qaeda and ISIS.

### **The basic principle of Taqiyya (LYING TO INFIDELS)**

For Sunni & Shia, The basic principle of Taqiyya is agreed upon by scholars, though they tend to restrict it to dealing with non-Muslims and when under compulsion(Ikrāh), While Shia jurists also allow it in interactions with muslims and in all necessary matters(darūriyāt). The Sunni's

call this religious technique (Idtirar), which in the sura XVI, verse 106(Tafsir,Bulak 1323, xxiv,122): "If any one is compelled and professes unbelief with his tongue, while heart contradicts him, in order to escape his enemies(Infidels) non-muslims, No Blame Befalls on him, because Allah takes his servants as their hearts believe."

"The concealing of ones faith is justified, and even martyrdom is considered a noble alternative". - Al-Tabari

### **Guru Gobind sikh Islam is a false religion:**

According to Torkel Brekke, the period following the execution of Guru Tegh Bahadur – the father of Guru Gobind Singh, was a period where the Mughal Empire under Aurangzeb was an increasingly hostile enemy of the Sikh people. The Sikh resisted, led by Gobind Singh, and the Muslim-Sikh conflicts peaked during this period.

Guru Gobind Singh saw his mission, states Brekke, as God given to resist tyranny and false religion he considered Islam to be.

### **ISLAM BY DR PETER HAMMOND:**

Adapted from Dr. Peter Hammond's book: Slavery, **Terrorism and Islam:**

Islam is not a religion, nor is it a cult. In its fullest form, it is a complete, total, 100% system of life. Islam has religious, legal, political, economic, social, and military components. The religious component is a beard for all of the other components.

Islamization begins when there are sufficient Muslims in a country to agitate for their religious privileges.

When politically correct, tolerant, and culturally diverse societies agree to Muslim demands for their religious privileges, some of the other components tend to creep in as well..

Here's how it works:

As long as the Muslim population remains around or under 2% in any given country, they will be for the most part be regarded as a peace-loving minority, and not as a threat to other citizens.

It is a trick.

United States — Muslim 0..6%

Australia — Muslim 1.5%

Canada — Muslim 1.9%

China — Muslim 1.8%

Italy — Muslim 1.5%

Norway — Muslim 1.8%

At 2% to 5%, they begin to proselytize from other ethnic minorities and disaffected groups, often with major recruiting from the jails and among street gangs. This is happening in:

Denmark — Muslim 2%

Germany — Muslim 3.7%

United Kingdom — Muslim 2.7%

Spain — Muslim 4%

Thailand — Muslim 4.6%

From 5% on, they exercise an inordinate influence in proportion to their percentage of the population.

For example, they will push for the introduction of halal (clean by Islamic standards) food, thereby securing food preparation jobs for

Muslims. They will increase pressure on supermarket chains to feature halal on their shelves — along with threats for failure to comply.

At this point, they will work to get the ruling government to allow them to rule themselves (within their ghettos) under Sharia, the Islamic Law.

The ultimate goal of Islamists is to establish Sharia law over the entire world.

When Muslims approach 10% of the population, they tend to increase lawlessness as a means of complaint about their conditions. In Paris, we are already seeing car-burnings.

Any non Muslim action offends Islam, and results in uprisings and threats, such as in Amsterdam, with opposition to Mohammed cartoons and films about Islam. Such tensions are seen daily, particularly in Muslim sections.

FRANCE After reaching 20%, nations can expect hair-trigger rioting, jihad militia formations, sporadic killings, and the burnings of Christian churches and Jewish synagogues.

At 40%, nations experience widespread massacres, chronic terror attacks, From 60%, nations experience unfettered persecution of non-believers of all other religions (including non-conforming Muslims), sporadic ethnic cleansing (genocide), use of Sharia Law as a weapon, and Jizya, the tax placed on infidels.

After 80%, expect daily intimidation and violent jihad, some State-run ethnic cleansing, and even some genocide, as these nations drive out the infidels, and move toward 100% Muslim.

Everyone copy and post this!

If this doesn't alarm u I don't know what would.

Please read & share!!!! Trump is starting to look better all the time. This information has all been checked, then double checked... it is 100% Correct .

That's why there is such an alarm within US government, since Trump's statement about temporary suspension of migration of Muslims to US till US authorities make sure there is a proper concept of safe penetration of US territory.

People are stunned to learn that the head of the U.S. CIA is a Muslim!

Do hope this wakes up some! Until it hits you like a ton of bricks read it again, until you understand! John Brennan, former head of the CIA converted to Islam while stationed in Saudi Arabia. Obama's top adviser, Valerie Jarrett, is a Muslim who was born in Iran where her parents still live. Hillary Clinton's top adviser, Huma Abedin is a Muslim, whose mother and brother are still involved in the now outlawed Muslim Brotherhood in Egypt! Assistant Secretary for Policy Development for Homeland Security, Arif Aikhan, is a Muslim. Homeland Security Adviser, Mohammed Elbiary, is a Muslim. Obama adviser and founder of the Muslim Public Affairs Council, Salam al-Marayati, is a Muslim. Obama's Sharia Czar, Imam Mohamed Magid, of the Islamic Society of North America is a Muslim. Advisory Council on Faith-Based Neighborhood Partnerships, Eboo Patel, is a Muslim. Nancy Pelosi announced she will appoint Rep Andre Carson, D-Ind, a Muslim, as the first Muslim lawmaker on the House of Representatives Permanent Select Committee on Intelligence, of all things! It would make Carson the first Muslim to serve on the committee that receives intelligence on the threat of Islamic militants in the Middle East!

He has he suggested that U.S. schools should be modeled after Islamic madrassas, where education is based on the Quran!!! Last but not least, our closet Muslim himself, Barack Hussein Obama. It's questionable if Obama ever officially took the oath of office when he was sworn in. He did not repeat the oath properly to defend our nation and our Constitution.

Later the Democrats claimed he was given the oath again, in private. Yeah, right. CIA director John Brennan took his oath on a copy of the Constitution, not a Bible?

Valarie Jarret wrote her college thesis on how she wanted to change America into a Muslim friendly nation and she is a Obama top advisor! Congressman, Keith Ellison took his oath on a copy of the Qur'an, NOT the Bible! Conservative Congresswoman Michele Bachman, R-MN, was vilified and verbally tarred and feathered by Democrats when she voiced her concern about Muslims taking over our government!

Considering all these appointments, it would explain why Obama and his minions are systematically destroying our nation, supporting radical Muslim groups worldwide, opening our southern border, and turning a blind eye to the genocide being perpetrated on Christians all over Africa and the Middle East!

The more damage Obama does, the more arrogant he's become! Our nation and our government has been infiltrated by people who want to destroy us! It can only get worse! In his book Obama said, "if it comes down to it, I will side with the Muslims".

If you fail to pass this one on, there's something wrong.....somewhere!

Common sense doesn't grow in everyone's garden!

Hillary corrupt Muslim brotherhood ties:

In Obama's second term, Secretary of State Hillary Clinton authorized the shipment of American-made arms to Qatar, a country beholden to the Muslim Brotherhood, and friendly to the Libyan rebels, in an effort to topple the Libyan/Gaddafi government, and then ship those arms to Syria in order to fund Al Qaeda, and topple Assad in Syria.

Clinton took the lead role in organizing the so-called "Friends of Syria" (aka Al Qaeda/ISIS) to back the CIA-led insurgency for regime change in Syria.

Under oath Hillary Clinton denied she knew about the weapons shipments during public testimony in early 2013 after the Benghazi terrorist attack.

In an interview with Democracy Now, Wikileaks' Julian Assange is now stating that 1,700 emails contained in the Clinton cache directly connect Hillary to Libya to Syria, and directly to Al Qaeda and ISIS.
