

Why Might I Need To Use A Pronged Or Pinch Collar On My Dog?

Why Might I Need To Use A Pronged Or Pinch Collar On My Dog?

[Herm Sprenger collars](#) are a well-liked yet contentious method for reducing dog leash pulling. A modified martingale **herm sprenger prong collar 2.25** collar having arms, or prongs, that extend and tighten against the dog's neck in reaction to pulling on the leash is a prong collar, also known as a pinch collar.
