

## How good is Qatar airways economy class?

I was curious to know [how good is Qatar airways economy class](#)? So I talked to my friend as he had already fly with this airway. He told me that the economy class of Qatar airways is the best and you will enjoy flying with them. I contacted to their travel expert team and get more details about economy class. I was really happy to know that in affordable price I will be enjoying so much while flying with them.
