About this item:

- **BRAGG APPLE CIDER VINEGAR CAPSULES:** Each daily serving of Bragg ACV capsules provides 750 mg of acetic acid, ie The Good Stuff. This is the same amount as one tablespoon of liquid Apple Cider Vinegar or roughly 30-50 competitor gummies! The Bragg ACV capsules have no sugar added, and no artificial flavors or colors.
- **CONVENIENT CAPSULES:** Just three pills a day has the same amount of acetic acid as one tablespoon of apple cider vinegar. Simply pop them in, and swallow them with a meal and glass of water to begin enjoying the health benefits of these high-quality ACV capsules.
- **ACETIC ACID BENEFITS:** Acetic acid has been clinically proven to help in many ways – it helps to reduce the absorption of carbohydrates, causes our bodies to burn more fat as fuel, and helps provide a feeling of fullness, which aids with weight control and maintaining healthy cholesterol levels.*
- **HEALTHY INGREDIENTS:** The Bragg ACV supplements are created from Bragg's proprietary apple cider vinegar blend. Our ACV capsules are Non-GMO Verified, Vegan, Sugar-Free, and Gluten-Free.
- **APPLE CIDER VINEGAR HEALTH BENEFITS:** Taking a daily dose of Bragg ACV offers many health benefits. Our ACV supplement can help support a healthy immune system, aids in maintaining a healthy weight acts as an appetite suppressant, and helps maintain healthy cholesterol levels.
