

## Metal Frames for Photos provides by Prestige Framing is now at Local Infobel

[Prestige Framing Gallery](#) is one of the best galleries in New South Wales, we offer the best services and products. Our framing products include; mirrors and prints for décor. Mirrors can be framed as well, and they can be made of metals that are gold, silver, or bronze in color to give them a regal and refined appearance. We also have wooden frames to give it a traditional or rustic appearance.
