

4 Ways to Win on Lady in Red Slot Machine

The Argyle open is a slot machine with 40 paylines and 5 reels. You can win free spins, random prizes or even free golf games by playing the game. The video slot features scatter and wild symbols that will help you generate more winning combos and win the Tournament Bonus Game, which you'll play in three stages. This slot machine has a modern, fresh design with outstanding graphics featuring golfers, clubs, and trophies. You can win up to 20,000 coins during the base game, and up to 100,000 coins during the Free Spins Bonus Game.

Three or more scatter symbols landing on the reels will start the Tournament Bonus game. The game is divided into three stages, Drive Bonus Feature (also known as the Bonus Drive), Fairway Bonus feature and Putt Bonus feature. The bonus game is only played once. If you play the Tournament game the first time, you will see the first stage. You choose one golfer to start the bonus game.

The further the ball travels, the higher the value of the bonus. You can earn up to 20 free games and a multiplier of up to 5x by trying to putt with the club you have selected in the Putt Bonus.

There are other ways you can win more prizes at the slot machine. Watch out for the Open Argyle Logo wild symbol. Spin it as many times as you can to win up to 1,000 coins. The wild symbol can also be used to create more winning combinations by substituting for other symbols.

Watch out for scatter symbols, which can appear on any line and create scatter winning combinations. Spin two, three or four symbols to win up to ten coins.

The Argyle Slot Machine is a Microgaming machine. This means that it can be found in any Microgaming casino. This game is only available at reputable online casinos such as All Slots Casinos, All Jackpots Casinos, Ladbrokes Casino.

Options are available

Do not get too comfortable playing one type of online casino. Users who fall into this category usually end up spending more money in the future. It is because they didn't know about other websites with similar offers and paid more money for it. You should always check out websites that offer free slots, and also have more options. If the conditions improve, you may want to change to another website that offers better conditions.

There is a third option to win on this slot - free spins. You can activate the Free Spins Bonus Game by spinning three scatters or more. You will win more free spins the more scatters that you get. For example, if you get three scatters, you'll receive 15 free spins. If you get four scatters, then it will be 20 free spins. Spin five scatters to start the bonus round with 25 free

turns. In the free spins round, you will receive additional winnings for free. All your wins during the bonus game are also tripled [bom29toto](#).

A regular game is the fourth way to win. You can generate winning combinations regularly on certain paylines. Five Lady in Red symbols pay 12500 coins on a single payline, while four symbols pay 2000 coins. You can win up to 2, 50, 400 and 2500 coins by spinning 2, 3, 4 or 5 symbols in a row on a single payline. There are 10 combinations that can be won, including scatter wins and payouts using wild symbols.

Lady in Red offers four ways to win huge prizes. Try your luck on this video bonus slot.
