

Injured at Work? Here's what to do next:

With over 250 years of combined experience, the caring and experienced legal team at Robert J. DeBry & Associates offer the services of their injury lawyers when workplace mishaps unfortunately occur.

With over 250 years of combined experience, the caring and experienced legal team at [Robert J. DeBry & Associates](#) offer the services of their injury lawyers when workplace mishaps unfortunately occur.

Since 1980, [Robert J. DeBry & Associates](#) has successfully assisted and recovered millions of dollars for innocent, injured individuals.

While [both are largely preventable](#), accidents and even fatalities happen in workspaces. A hurt party needs to protect themselves after, ensuring he receives fair compensation for damages, pain, time off to heal—or to grieve. A personal injury lawyer assists accidentally injured workers to stand up for and protect their rights, receive just remuneration, and remain free of undeserved blame. The top team of personal injury lawyers in Utah, [Robert J. DeBry &](#)

[Associates](#), will and can successfully help any accidentally injured worker get the compensation that they deserve.

Besides demonstrating unmatched quality in their work, [Robert J. DeBry & Associates](#) serve their community away from the office, giving back to the people who support them. The firm hosts local events and donates unique resources or services —like the Free Ride Home program, to guarantee patrons a safe journey home after a night out. As strong supporters of Mothers Against Drunk Driving (MADD), [Robert J. DeBry & Associates](#) donates \$500 to MADD from every drunk driving case settled or won. Since 2010, the firm has donated \$53,000.

Slips, trips, spills, falls, fires, exposure, or faulty equipment —an accident can happen to even the most careful worker, causing bodily harm or fatality [in any industry and at any age](#). Even if an individual is unsure if he has a case, he can contact the friendly team at [Robert J. DeBry & Associates](#) to speak to a personal injury attorney and discuss potential options.
