In my viewpoint, the online forums were the very best (and most beneficial) part of the website. Marco Polo is best. They likewise supply spiral bound itinerary-based guides, phrasebooks, folding maps, traveling

handbooks, traveling journals, city maps as well as roadway atlases.

## Reasons why travel is good for you

There are so many reasons to pack your bags and hop on a plane as often as possible. Not only do you get to do some incredible things you wouldn't get to do back home, studies show that travel can have positive effects on physical and mental well being.

 <p><b>Women who vacationed every 6 years or less had a higher risk of developing a heart attack or coronary death compared with women who vacationed at least 2x a year.</b></p>	 <p>For each additional 10 hours of vacation time employees took, performance ratings <b>improved 8% at the end of the year.</b></p>
 <p>Men who did not take an annual vacation were shown to have a <b>20%-30% higher risk of death from heart disease.</b></p>	 <p>2/3 of couples say that traveling together is <b>more romantic than giving gifts.</b></p>
 <p><b>86%</b> of people who travel are <b>satisfied with their outlook on life.</b></p>	 <p>Not taking a break can <b>increase the amount of the stress hormone cortisol in your body.</b></p>
 <p>In studies, missing just 1 year's vacation was associated with a <b>higher risk of heart</b></p>	 <p>Women who don't take vacations are more than 2x as likely to <b>suffer from depression</b> than those</p>

higher risk of heart disease than those who take a vacation.

**Families** say that vacation makes family and friends **more connected**.

**59% of travelers** think that trips experienced with family and friends **make the most impact**.

## Optimos Travel Can Be Fun For Everyone

You can download and install a 24-day driving excursion of New Zealand with a detailed driving excursion over both islands. Trip travel plans include suggested quits as well as websites in addition to lodgings. I appreciate checking out DK Eyewitness guides, especially when I'm searching for information about the background as well as culture of my destination.

DK was established in 1974 by Christopher Dorling and Peter Kindersley. They published their initial traveling publication in the very early 1990's encouraging to reveal you "what others just tell you. [travel safety tips](#)." They also cover all the usual premises for traveling guide books: plans, maps, dining and lodgings referrals, leading websites, and so on.

New episodes come out every two weeks or so. For more than 40 years, Understanding Guides have released guide publications covering greater than 200 locations. In my experience, they're rather a little bit heavier on destination history as well as society than any kind of other traveling guide I have actually encountered. If that's not something you take pleasure in, then these overview books may not be your top choice.

**49% of adults** say they have very

**Research commissioned by the U.S. Travel Association reports couples who travel together are:**

- More satisfied with their relationships.
- Continuing to do so after the trip is over.

**Research has shown that after just a few days on vacation people were:**

- Averaging **1 hour more of quality sleep**
- Improving their reaction times up to **80%**
