Points to remember while buying diamond jewelry.

- *Round cut diamonds are the best preference for engagement rings. The brilliant sparkle of round-cut diamonds gives rings a classic look.*
- *You must remember the 4c's of a diamond while buying diamond jewelry. The carat, color, clarity, & cut must be kept in mind for choosing the design of diamond jewelry.*
- *Consider your style of the ring or any other jewelry then go for its design.*
- *Never forget to see the jewelry from all sides before buying.*
