

## Recommendations - action cameras

Recommendations for action cameras >> Akaso V50 series, Thieye T5 series, SJCAM SJ8 Plus or Pro or SJ10 Plus or Pro, (but not SJ9 and not SJCAM "Air" models), Hawkeye-Firefly 8SE or X (10), Eken H5s Plus, Eken V50 Pro (without EIS), Soocoo S100 Pro, Dragon Touch Vista 5, or a secondhand Gopro Hero 5 / 6 / 7 Black <https://is.gd/amazongopro5black> . Look for cameras that support electronic image stabilization (EIS) and external microphones. Note: All Eken cameras do not support an external microphone. Note: All cheap sub-\$50 USD cameras produce either poor video or audio quality, or both and may not support EIS or external microphones. Please set your budget at \$60 USD or higher.
