Over the last few years, gun laws in Tennessee have become less strict after lawmakers approved legislation that removed requirements for permits and background checks.

Republican lawmakers are now looking to loosen the state's gun laws even further, contending that gun owners' rights need to be expanded. State lawmakers have introduced gun-related bills that would allow permit carriers to bring their weapons to college campuses and another that would allow school staff members to carry a handgun.

## 153NEWS VIDEOS DEBUNK NASHVILLE SHOOTING HOAX

### Nashville School Shooting Hoax Part 1 - Jeffersonian Girl

Watch this complete video to see the actors smile and grin with Duper's delight.

I didn't dig deep or edit this video due to time constraints. However, I wanted to tackle the fact that it is a hoax before any "christians" or MSM start pushing the gun bans, again. Google

Maps was also preventing me from searching the school address.
