

# A complete information about Magpie Books

Established in 1993, **Magpie Books** is a noted children and school books publisher in Ahmadabad & Delhi NCR. We run a dynamic publishing program that aims to produce innovative content, book illustrations, and design. What sets us apart from other publishers is the care and commitment we have to children. We have broadened our services to help children everywhere learn through the new technologies as well as continue to provide the indulging online activity-based pre-primary program designed especially for early childhood's unique needs, abilities, and interests.
