

# Best practices for online moderation

If you are trying to run a good online community, it is important to be a good moderator for it who knows how to maintain orders, control conversations, keep them fresh and give members enough rights to feel free to say what they want. Your main focus is to make sure that everyone feels safe and your community has a healthy and friendly environment.

1. [Online Community Moderation](#)

2. Always Create a [Code of Conduct](#)

3. make a clear acceleration Path for Moderating

4. Be active
