There are speculations of other Marvel superheroes joining the sequel to Benedict's film.

Ryan Reynolds has guaranteed that his Deadpool won't be found in Benedict Cumberbatch's Doctor Strange in the Multiverse of Madness. The impending film is making a great deal of buzz, particularly after the achievement of Spider-Man: No Way Home. It will hit the venues on fourth March. Keep reading for more [hollywood news](#).

Very much like there were gossipy tidbits about the contribution of the previous Spideys in the Tom Holland starrer, there are hypotheses of other Marvel superheroes joining the spin-off of Benedict's film. It is likewise being said that Tom Cruise will show up in the film as Iron Man.

While discussing Doctor Strange in the Multiverse of Madness, fans began to guess that Ryan Reynolds' Deadpool will make his MCU debut in the Benedict Cumberbatch starrer. Be that as it may, presently the entertainer has closed down every one of the bits of hearsay. While

addressing Variety during the extraordinary screening of his new film, The Adam Project, Ryan expressed that he isn't in the Marvel flick.

"I'm truly not in the film," Ryan Reynolds said. "I'm promising, I'm not in the film," he demanded while crushing down bits of gossip about Deadpool's appearance in Benedict Cumberbatch's Doctor Strange in the Multiverse of Madness. Despite the fact that Reynolds denies him being in the film, his fans can watch his superhuman in real life in the third portion of the series.

In the interim, fans likewise conjecture that Tom Cruise will make his Marvel debut as Iron Man in the film. Another trailer of the film additionally showed a protected saint, which many accept that is Cruise. For the unversed, the Mission Impossible entertainer was the best option of playing Tony Stark before it went to Robert Downey Jr.

Is Ryan Reynolds denying Deadpool being in Doctor Strange in the Multiverse of Madness just a method for fending off the spoilers or he's truly not in the Benedict Cumberbatch starrer? This is the kind of thing fans would need to hold back to know. Stay tuned to [Koimoi](#).
